

### Radio Code Of Conduct

Name & Surname : \_\_\_\_\_

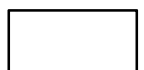

Member's Number : \_\_\_\_\_

**This code of conduct is binding on ALL "Radio Users".**

**"Radio Users" are collectively defined as:** all the members of Pretoria North Residents Association (PNRA) or members of sub-structures of PNRA, which own and operate a radio on PNRA's Radio Network; persons using any radio equipment belonging to PNRA; persons and/or organisations who are given special permission by the Executive of PNRA, and for which agreement was reached between such persons and/or organisations, relating to the use of PNRA's Radio Network.

**"Radio Network" is collectively defined as:** radio channels of PNRA; radio frequencies of PNRA; radio tones of PNRA.

1. Radio Users will only be permitted to use PNRA's Radio Network if, their radio(s) (make and serial number) are registered with PNRA, that they have signed the latest "Radio Code Of Conduct", that radio access fees are paid in full (where applicable) and that they have received the necessary training (where applicable);
2. Radio Users shall not directly or indirectly let the radio frequency or radio tones be known to unauthorised parties and/or entities for whatever reason, and in the event that any party or entity requests the aforementioned from any of the Radio Users, that such requests must be reported to the Executive of PNRA within 24 Hours;
3. Radio Users will only use PNRA's Radio Network for its intended purposes;
4. Private chatter will not be permitted on PNRA's Radio Network;
5. The use of racist language, foul language, offensive language, sexual innuendo, or when under the influence of any drug / alcohol related substance and arguments on PNRA's Radio Network is strictly forbidden;
6. Any act contemplated to irritate or aggravate Radio Users on PNRA's Radio Network, such as misuse, abuse, intentionally keying them out, mocking them anonymously, transmitting noise / music or irritable sounds will be regarded as serious misconduct and conduct unbecoming, whereby such a Radio User will not be regarded as a fit and proper person to operate a radio on PNRA's Radio Network and that PNRA's Radio Network configuration shall be removed from any radio(s) owned by such Radio User;
7. Use of radio equipment on PNRA's Radio Network will at all times be in accordance with the rules of radio usage as published by ICASA and the Telecommunications Act as amended from time to time;
8. It is the duty of each Radio User to ensure the total safety and security of their radio which is configured to operate on PNRA's Radio Network and to prevent any unauthorised use of such radio;
9. Radios should be kept out of reach of children, as the unauthorised use of radios by children may compromise the safety of other Radio Users in cases of emergency. Minors of Radio Users may only use their radio under direct supervision of the Radio User whose radio it is or in cases of emergency;
10. No information about the whereabouts of fellow Radio Users, information relating to their properties, information relating to them being away from their properties may be transmitted over PNRA's Radio Network;
11. No phone number(s) of fellow Radio Users may be transmitted over PNRA's Radio Network unless such Radio User has giving consent to such or has previously shared their phone number(s) on PNRA's Radio Network themselves, on their own accord;

12. Radios used on PNRA’s Radio Network must be capable of transmitting a Radio ID Code (PTTID), unless such radio is not capable of transmitting a Radio ID Code and such radio have been registered with PNRA prior to 1 January 2016;
13. Radios which are not capable of transmitting a Radio ID Code (PTTID) will only be allowed on PNRA’s Radio Network if they have been registered with PNRA prior to 1 January 2016 and with the condition that should such radio ceases to function, that the radio will be replaced with a radio capable of transmitting a Radio ID Code;
14. For the adherence to the “Radio Code Of Conduct” and/or for monitoring the quality of PNRA’s Radio Network, radio transmissions on PNRA’s Radio Network may be recorded and may be used for further actions;
15. Any radio that has been programmed to operate on PNRA’s Radio Network may not be sold or transferred to any other person or organisation, without PNRA’s Radio Network configuration being removed from the radio;
16. No Radio User may directly or indirectly engage with other Radio Users without the permission of the relevant co-ordinator in Control, however leniency is afforded to SAPS members to directly engage with any Radio User when assistance are needed, permitting that such SAPS member act courteously towards other Radio Users and that such SAPS member would, where possible, liaise with the co-ordinator in Control;
17. Direct engagement by Radio Users with SAPS or Medics on PNRA’s Radio Network will only be allowed, if the situation justifies such (in case of serious emergencies or during SAPS Special Operations);
18. All Radio Users (where applicable) acknowledge and undertake that should they cancel their membership with PNRA or move away from the area in which PNRA operates or refuse to pay any radio access fees due, that PNRA’s Radio Network configuration shall be removed (upon cancellation of membership or prior to the Radio User moving or refusal to pay) from any radio(s) owned by such Radio User;
19. All Radio Users acknowledge and agree that by breaching the “Radio Code Of Conduct”, that they may liable for a claim for damages, in the event that PNRA’s radio frequency or radio tones needs to be changed on radio equipment of any Radio User, to safeguard said radio frequency or radio tones or if a new radio frequency needs to be obtained or any other actions relating to removal of PNRA’s Radio Network configuration from the radio(s) of such Radio User;
20. Should the “Radio Code Of Conduct” be translated into any other language, and doubt arise as to the interpretation of clauses in such translated version, this English version shall prevail.

I, \_\_\_\_\_, with ID Number, \_\_\_\_\_, hereby acknowledge understanding of the contents of this “Radio Code Of Conduct” and agreement thereto.

Signed at \_\_\_\_\_ (place) on this \_\_\_\_\_ (day, month, and year).
